Dear Mr. Throne:

This letter is to inform you that we have approved your request for a waiver to increase the percentage of LIHEAP funds allocated to weatherization assistance from 15 percent to 25 percent. We have determined that your request meets the criteria for a standard waiver. This waiver is effective from the date of this letter until funds for which the waiver is granted are obligated in accordance with the LIHEAP statute. Funds for which a weatherization waiver is granted that are carried over to the following fiscal year and used for weatherization shall not be considered funds allotted or funds available for the purposes of calculating the maximum amount that may be used for weatherization in the succeeding fiscal year.

We have enclosed this letter and a copy of your waiver request in the State's FY 2009 LIHEAP plan as a plan amendment. If you or your staff have questions, please contact Rosa Chapman at (202) 260-6424 or rchapman@acf.hhs.gov.

Sincerely,

A handwritten signature in cursive script that reads "Nick St. Angelo".
